Hello my friends!

QUALIFIED MEMBER

Leading® REAL ESTATE COMPANIES OF THE WORLD

I have some exciting news! As you know, Schmidt Realty Group is proudly independent and 100% locally owned. We believe that focusing all our resources on our local Edmonton and area market allows us to serve you best! Now in addition to our strong local focus we have a global connection through our new partnership with **Leading Real Estate Companies of the World.**

Leading RE is an invitation-only network of handpicked and carefully vetted independent brokerages worldwide. As of today there are 18 member brokerages across Canada. We're proud to announce that Schmidt Realty Group is now a part of this prestigious group as Edmonton's only member!

What does this mean for you? It means that when you or a friend or family member moves across the country, or across the globe, we can refer you to a carefully selected local real estate firm who will provide the same level of care and expertise as we offer you here in Edmonton. It's an honor to have been asked to join this incredible group and already we're enjoying the connection and sending and receiving clients across the country! **Click here to learn more!**

Until next time,
Janelle
